

SHOW AND TELL

Show and tell will be every Thursday. The children need to bring one item from home to show the class. Live animals are welcome, but need to be approved by the teacher before show and tell.

CLASSROOM PARTIES

There are three parties scheduled throughout the school year, Halloween, Christmas and Valentine's Day.

The Halloween and Valentine's Day parties take place during the last hour of the class. Since there cannot be food or candy during these parties, the teacher keeps the party simple. The children will celebrate the holiday by doing a craft, singing songs, having story time and maybe watching a video representing the holiday.

The Christmas party for the children is singing Christmas carols to their parents and loved ones in the preschool room during the last half hour of class.

WELCOME LION CUBS

The goal of our Lion Cubs Pre-School Program is to give children a fun and positive first time experience in a classroom environment.

Mrs. Penny Mace, who has been with the program since 1997, teaches the class. Mrs. Mace also has a full-time classroom assistant, Mrs. Erin Sutton. Mrs. Sutton previously worked with the St. Rose Extended Care Program. Mrs. Sutton has been with the program since 2007.

Children entering the Lion Cubs program need to be 3 years old by August 1 and fully potty trained.

CLASS TIMES

Classes meet every Tuesday and Thursday

A.M. Class 8:00 – 10:45

P.M. Class 12:15 – 2:50

Each class holds a maximum of 12 children per class.

CURRICULUM

While social interaction is the main focus of our Lion Cub program, we also focus on introducing skills the children will need to enter Kindergarten. Students learn these skills through structured play, circle time, and the use of age-appropriate learning centers. Students in the Lion Cub program work on shapes, colors, counting, cutting skills, coloring, crafts, and dramatic play. We also introduce them to the alphabet. Lion Cub students participate in age-appropriate religious instruction, story time, and music on a regular basis.

SKILLS TESTING

The children participate in skills testing twice during the school year: once in fall, and once in spring. A parent/teacher conference is scheduled after the fall skills testing. Parents are welcome to conference with the teacher at any time if there are any concerns regarding their child.

FOOD AND CANDY

Due to the rising incidence of food allergies, no food or candy is allowed in the pre-school room. Parents who want to celebrate their child's birthday with the class are asked to send in party favors or juice.

Milk will be provided for the children for their milk break. There are a variety of choices for milk including white, chocolate, strawberry, and vanilla.

CONTACT INFORMATION

If you ever have questions, comments, or concerns, please do not hesitate to contact your child's teacher. We are partners on your child's educational journey.
